

PROLINE

Press Release - 2017 Proline Factory Polaris Race Program

Proline Wraps, the Industry Leader in Graphic Design, is proud to announce Team Proline Wraps / Polaris RZR WORCS Race Program. Team Owner and Driver, Andrew Madrid, has organized a solid group of the industry's best Partners to support his team in conquering the WORCS Racing Pro Stock class.

Madrid is not new to the race scene. Racing is in his blood, racing most of his life with much success in many drag racing classes. He has a passion for and is very involved in the SxS industry, including being involved in many Polaris Factory Advertisements. Team Proline Wraps / Polaris RZR will start their season at the WORCS Havasu Race and is looking forward to competing in the UTV WORCS Series.

Proline Race Program Partners: Holz Racing Products, Hiper by Weld, Assault UTV, Bikeman Performance, Powder Coat HB, SSV Works, GBC Motorsports, PRP Seats, HJC Helmets, Rugged Radios, Race Pak Data, K&N Filters, UTV Underground, Pro Armor, DMP Fasteners, Pro Eagle Products, SixSpeed, Avery Dennison, Attitude RV, Meziere Enterprises, Holiday Motorsports Awnings and Lifeline Batteries.
